It is not unusual for colds contracted in the fall to hang on all winter. In such cases catarrh or chronic bronchitis are almost sure to result. A fifty-cent bottle of Chamberlain's Cough Remedy will cure any cold. Can you afford to risk so much for so small an amount? This remedy is intended especially for bad colds and croup, and can always be depended upon. For sale by Power & Reynolds, Drug Gists.

The Emerson Piano.
These instruments have enjoyed a high reputation for more than forty years. Are Brilliant and Musical in Tone, and afford a most beautiful accompaniment to vocal music—the tone having the rare sympathetic quality which blends admirably with the human voice. They are durable, being constructed of the Best Materials, by the Most Skillful Workmen. They have earned an especial reputation for Keeping in Tune, and also for retaining in a most remarkable degree their original fullness of tone—never growing thin or wiry with age.
The Emerson Upright Pianos especially have obtained a remarkable success during the past few years, and have invariably received a high award wherever exhibited. In all the essential qualities of a First-class Instrument they are second to no piano manufactured in the country.
